A Living Will should address these 3 topics, as they are the most common and difficult issues that arise during a person's life-ending condition: Life Support; Life-Sustaining Treatment; End of Life Wishes; How to Make a Living Will. A living will can be created by an individual within one (1) day.

[A new kind of home for a new kind of living.](#)

A new kind of home for a new kind of living. More multigenerational families are living together under one roof. Bringing children, parents, grandparents and other extended family together in a single household is a rapidly growing trend that offers many advantages, but most homes aren't designed to support multigenerational living - that is, until now.
