The Open Championship, often referred to as *The Open* or the *British Open*, is an annual golf tournament conducted by The R&A. It is one of the four major championships in professional golf, and is the oldest of the four. The Open is traditionally played in mid-July; beginning 2019, with the rescheduling of the PGA Championship to May, the tournament will be the final major of the golf season.

A friendly, modern club in an historical setting. Theydon Bois is one of the oldest golf clubs in Essex, right in the heart of Epping Forest. Founded in 1897 and designed in part by the renowned James Braid, at Theydon you'll find a traditional forest course which is a delight to play throughout the changing seasons of the year.

Where is the PDF file? Can't you make an SSCCE? What I find frustrating here is that the question has nothing at all to do with Delphi. It is 100% an issue relating to passing command line parameters to certain PDF viewers.
