Download a pdf of this guide. Emigration & Scottish society. Poverty has always been noted as the main reason for Scottish emigration. Two-thirds of the land is harsh – rocky, ill-drained, swept by rain-bearing winds off the Atlantic and far from the Mediterranean and medieval centres of European trade and culture.

Environmental history is the study of human interaction with the natural world over time, emphasising the active role nature plays in influencing human affairs and vice versa.. Environmental history emerged in the United States out of the environmental movement of the 1960s and 1970s, and much of its impetus still stems from present-day global environmental concerns.
